TURF PARADISE RULING #16-17TP067

Castellanos-Loza's violation of an understanding he consented to with the Director of the Arizona Department of Gaming/Racing Division effective October 12, 2016, where in Mr. Castellanos-Loza agreed that further violations

of Arizona's Medication Rules, during a probationary period beginning on September 12, 2016, through September 12, 2018, would constitute grounds for revocation of his Owner/Trainer license in Arizona.

On November 16, 2016, Stewards received affidavits from Industrial Laboratories indicating two positives for hydrocortisone succinate on two separate horses in the same race. Armando Castellanos-Loza requested split samples be sent to Texas A & M Medical Veterinary Diagnostics Laboratory that did in fact confirm the presence of the drug in both samples.

In view of the respondent's violation of the stipulations entered in the afore mentioned agreement, the Board of Stewards hereby revoke the Owner/Trainer license of Armando Castellanos-Loza and is denied access to all grounds under the jurisdiction of the Arizona Department of Racing. This, after careful review of his numerous and constant violations of the medication Rules of Arizona during the previous five years. Actions that call into question the best interest of racing horses; the safety, welfare, economy, health and peace of the Racing Industry, and the people of Arizona.

All horses owned by the respondent are denied entry for racing pending sale approved by the Board of Stewards.
